The Moray Junior Curling Team has just returned from Edinburgh after competing in the Scottish Schools Curling Championships which were held in Murrayfield Ice Rink. The team, comprising of: Molly Keen, Amy MacDonald, Douglas Henderson, Eilidh Smith, Cameron Smith and David Scott, did really well but came up against stiff competition in the quarter finals where they lost against Stranraer, the overall winners.

Molly Keen said: "It was a good experience and I learnt a lot and it was good to play other teams from Scotland who had different skills and were great competitors".
