Dear Parent/Carer

S6 Students

Our S6 students have made a good start to this year, developing very positive and productive relationships with staff. We hope they can continue to make significant and valued contributions to the life of Forres Academy. As well as being committed to their studies, many have also shown an extremely mature approach to all that has been asked of them.

As you will be aware, S6 students are not fully class committed and do have periods when they are given the responsibility to manage their own time. Areas are available in school for them to use at such times. In the past we have also negotiated times when they can sign-out of school for a certain number of periods each week. The agreement is reached through discussions between S6 representatives and myself.

The agreement for this session is detailed below:

- S6 students are permitted to leave school for a maximum of four of their non-class periods each week
- S6 students must sign out at the main office and on no account leave the school without doing this
- S6 students must indicate where they are going and then sign back in at the office on their return
- This only applies to times when they have no class commitments or other commitments agreed by the school
- All S6 students must register in school first thing in the morning

As you can appreciate, we are trying to treat our S6 students as young adults and prepare them for their next stage whether that be going to college, university or employment. We are also taking into account important health and safety factors. As always this will be monitored and any student who does not follow the agreement may have such privileges taken away.

If you have any concerns regarding this then please do not hesitate to contact me.

Yours sincerely

CAROL STUART
Head Teacher
