12<sup>th</sup> December 2016

Dear Parent/Carer

In January 2017 all S3 pupils in Moray secondary schools are being given the opportunity to spend a day at Moray College during which they will be able to attend taster sessions covering a range of vocational courses. Friday 27<sup>th</sup> January is the day allocated to Forres Academy.

S3 pupils have already indicated their taster session preferences which were passed on to Moray College staff who have organised the day. Allocated sessions are posted up in the school so your son/daughter should already be aware of these. Those participating in beauty therapy and hairdressing should ensure that they do not wear dangly jewellery and they should bring something to tie back long hair. Those participating in sports sessions will need to take trainers and loose, comfortable clothing with them. Pupils participating in a brickwork session should bring an old shirt or an overall because they may get quite dusty.

Pupils will travel to Elgin by bus, returning to school before 3.20pm. **All pupils must take a packed lunch.**

This is an excellent opportunity for all S3 pupils to visit Moray College and to have a brief experience of the types of courses delivered within a further education institution. We hope that your child finds the experience beneficial.

Yours faithfully

Sandra McCulloch  
Depute Head Teacher
