

## Pupils Prepare to Explore

*By Felicia Fyvie, Neve Watchman, Sarah Innes and Lauren MacDonald*

Pupils from the S4 Wider Achievements Duke of Edinburgh course recently took part in an expedition preparation day at Lossiemouth High School where they learnt skills for their forthcoming overnight camping expedition. Participants were split into groups and spent the time going round different areas experiencing things such as: first aid, navigation, food, survival, bag packing, aims of the expedition and setting up tents. Salome Joubert (S4) said: "It was very interesting and I learned lots of new skills which will be helpful in the future".
