

Running to Success

By Aimee Riddell and Tegan Gregory

S4 pupil, Anna MacFadyen (S4) has just returned from competing in the UK Inter County Cross Country Championships which were held in Birmingham. Ann was selected after her recent successes in two national competitions. She ran the 5k course in a time of 23 minutes and said: "This was a big achievement for me. It was a really good experience to compete against the best runners in the country."

Another rising athlete from the school is Aiden Ferry (S4). After competing in the Scotland School Championships in February he has been invited for a middle distance training day in Pitreavie Stadium, Fife on Sunday March 29th. He is delighted to be given this opportunity.
